PHOTO & PICTURE FRAMES

We offer you a huge selection of ready-made frames, available in a vast selection of styles, colours, and frame sizes.

Catering for all market needs from price conscious discount stores or market traders, including styles to suit arts classes, schools, galleries, photographers studios, interior designers etc. In short, whatever frame you are seeking, there's a good chance we can offer you the ideal solution at the right price.

We can co-ordinate a bespoke framing service and are able to frame your own prints, artwork, certificates, poems, etc, in your choice of size, colour, moulding type. Batches of 10 to 10,000 no problem!!!

Frames are supplied complete with quality Hard Back, hanging fittings, strut (up to size 14x11"), and traditional glass which may be replaced with Styrene Safety glass (A5, A4, A3, and 20x16" readily available, other sizes may be supplied for larger quantities). Frames are finished with a choice of shrink wrap (up to size A3) or card corners (all sizes).

FRAMED MIRRORS

Nearly all the wide frame choice is available in mirror format; please see mirror section for mirror glass sizes/types.

DISPLAY PRODUCTS

Our DISPLAYS range offers you a wide variety of quality snap poster frames, pavement signs, light boxes, banner signs, notice boards, and exhibition stands at very competitive prices. A separate 'Display Products' brochure is available.

CLIP FRAMES (frameless)

Ideal for posters, certificates.

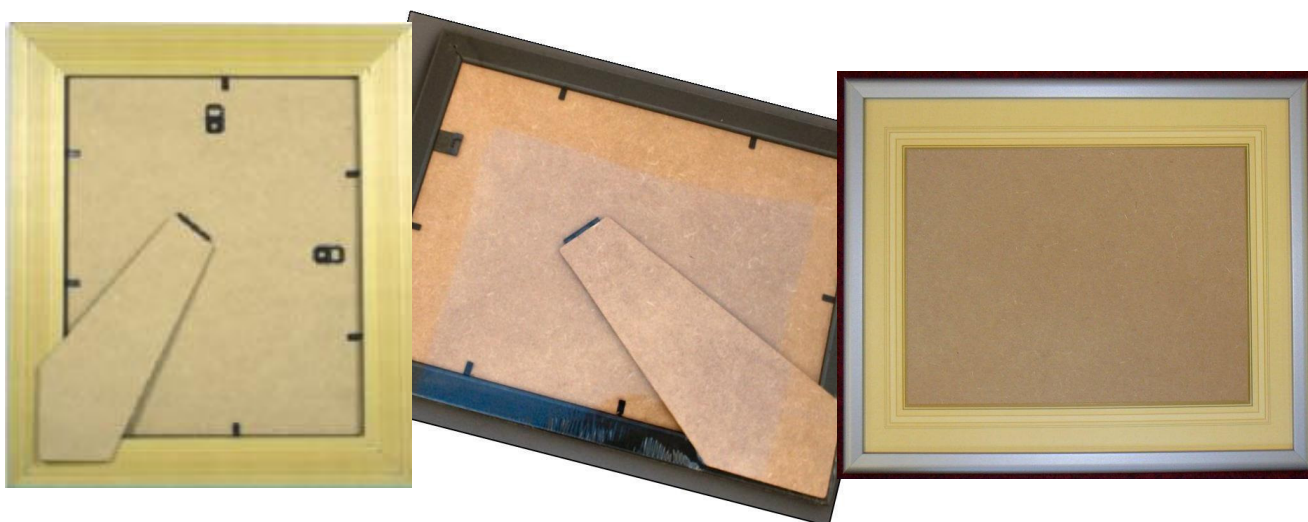

Please see website or price list for full range of sizes. Note availability depends on stocks held.

SWEPT FRAMES (traditional ornate)

The classic traditional ornate frame; imminently suitable for professional quality framing of paintings and pictures. Please see price list or website for full range of sizes. Note availability depends on stocks held.

HOW TO ORDER

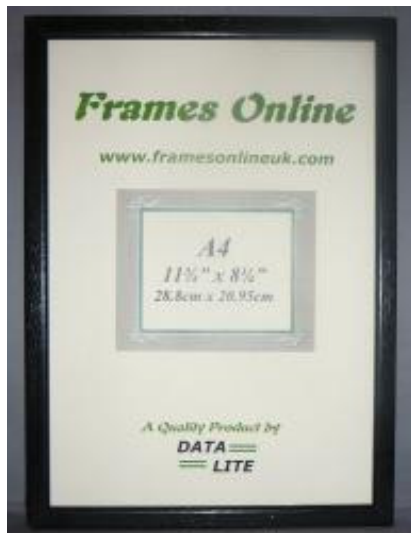

You can either order direct online via our website, by telephone, or via fax. Samples of frame materials can be provided prior to ordering on request. Discounts may be available for larger purchases.
